BE IN YOUR NATURAL ELEMENT

Great Ocean Road Regional Tourism is proud to share with you
our 2025 campaign assets;

BE IN YOUR ELEMENT

Be In Your Element encapsulates everything that the Great Ocean Road region has to offer. It invites visitors to discover their unique connection to the natural beauty, adventure, activities, and wellness experiences on offer across the region.

This campaign is an extension of last year's Be in Your Element campaign. While the first iteration leaned primarily into the elements as a theme, feedback highlighted the need to align more closely with our key pillars: Active Adventure, Big Nature, Surf & Saltwater Wellness, and Curated Culture. This update shifts the focus towards immersive storytelling, showcasing the breadth of experiences that define the region.

This years campaign will also include:

- a stronger emphasis on TikTok to broaden reach, and engage a younger audience.
- Itinerary-based content to inspire travel planning and extend visitor stays.

GREAT OCEAN ROAD BRAND PILLARS

The "Be in Your Element" campaign goes beyond stunning visuals and compelling audio; it's about the rich stories that weave through the landscapes, the people, and the experiences along the Great Ocean Road. The campaign themes and images have been driven by our brand pillars which form the core of all our marketing messages and ensure we retain a strong and consistent message in the marketplace and build on previous campaigns.

BIG NATURE

Delivered through the power of the Southern Ocean and the dramatic coastline it shaped — from the waves of Bells Beach to the towering Otway forests, crashing waterfalls, and volcanic lakes and craters.

ACTIVE ADVENTURE

Shifts the narrative from a passive visit to the region to a more immersive active visit. To explore the beauty of our landscape you need to immerse yourself and be active.

CURATED CULTURE

Celebrates the entrepreneurs and artisans of all crafts that call the GOR home. Inspired by the landscapes and its bounty they help define a sense of provenance and shape the character of our individual towns and villages.

SALTWATER WELLNESS

Enables us to celebrate the coast, its power to draw people and its capacity to support holistic wellness.

VILLAGE INSPIRATION

Celebrating the unique features and attributes that define the character of the towns and villages that make up our region.

BE IN YOUR ACTIVE ELEMENT

We want you to Be in Your Team Great Ocean Road element and Be Active with us.
